Seoul Semiconductor Co., Ltd., and Seoul  
Semiconductor, Inc.,

Defendants.

Case No: 3:06-CV-0162 (MMC)

**JOINT ADMINISTRATIVE REQUEST  
TO EXTEND TIME TO FILE MOTION  
TO COMPEL DAMAGES DOCUMENTS;  
ORDER THEREON**

Judge: Maxine M. Chesney

Plaintiff Nichia Corporation (“Nichia”) and Defendants Seoul Semiconductor Co., Ltd., Seoul Semiconductor Inc., (collectively “Seoul”), file this joint administrative request for extension of the deadline to file motions to compel damages-related documents pursuant to The United States District Court for the Northern District of California Local Rule (“L.R.”) 7-11.

**1. PROCEDURE**

To make an administrative request under Local Rule 7-11, a moving party or parties must set forth specifically the action requested, and the reasons supporting the motion. Such a motion must be accompanied by either (a) a stipulation of parties under L.R. 7-12 or, (b) by a declaration explaining why such a stipulation could not be reached.

**2. ACTION REQUESTED**

Plaintiff and Defendants respectfully request that the District Court allow for a brief reprieve in the discovery deadline to file motions to compel or Joint Letters regarding damages documents only. Specifically, the parties jointly request an extension of the deadline to file motions to compel damages-related documents from today (April 10, 2007) to Friday, April 20, 2007. There are several issues of contention between the parties, but a few extra days to work them out may obviate the need for a joint letter or motion.

1                   **3.       REASONS SUPPORTING THIS REQUEST**

2                   Both parties have been working diligently to identify and produce all of the damages  
3 documents responsive to the latest sets of Requests for Production, and to generally produce all  
4 necessary damages documents. This is a slow process, as the parties are in Japan and Korea,  
5 respectively. Translation and review of thousands of documents in many different languages  
6 have caused delay in this process. The parties have reached agreement on most issues  
7 surrounding the production of damages documents, but need just a bit more time.

8                   **4.       STIPULATION**

9                   By signing this joint administrative request, all parties act in concert in requesting the  
10 District Court Judge move the deadline to file motions to compel *damages documents* only as  
11 described above in Section 2.
